

**SIDES FOR: MISS KITTY – JOHNNY**

There is a CHIME SOUND and JOHNNY walks in, a steel toolbox in hand. MISS KITTY strolls over to him.

MISS KITTY

Welcome to back. Marie and Ingrid are out today but perhaps Donna could help fill your time?

She notices him looking at the ladies with the Nazi Soldiers.

MISS KITTY (CONT'D)

I do believe that Deb and Barbara Ann are currently taken. Perhaps you would like to come back later?

JOHNNY

I'm not here for the girls today Miss Kitty.  
I'm here for them.

MISS KITTY

The men? No. No fighting here Johnny – you know the rules.

JOHNNY

Sorry Ma'am. The rules have to go today. You might want to leave and take the girls with you.

MISS KITTY

It has to be right now!?! Here!?!

JOHNNY

Yes Ma'am. I'm sorry.

MISS KITTY

You're paying what they owe then. Double.  
And - you better clean the mess when you're done.  
I've gotta business to run.

He nods and hands her 2 PIECES OF GOLD. She transfers it and keeps her hand out. He hands her 4 MORE PIECES. She smiles.

She claps her hands and the everyone looks at her.

MISS KITTY (CONT'D)

Ladies, with me. Gentlemen, it was a pleasure doing business with you.

BARBARA ANN

But I was just getting to know –

MISS KITTY

Now.
